Amilla – 16.1h Percheron

“Milla” is a beautiful, kind, four-year-old, dapple grey Percheron mare. She’s foxhunted in second field, been trail ridden in groups and alone, and competed in the 2” division of local shows. She’s calm but not dull. Quiet enough to stand at checks, but forward and sensitive to leg to canter after the hounds or do dressage. She’s learning to jump and has shown the desire and form to be a safe, uncomplicated ride. This spring she will be showing and doing hunter paces as well as sharpening her dressage skills.

Clips, loads and stands for the farrier. UTD on all shots, Coggins and worming. Good home a MUST. \$6,500
